CAUVERY RESERVOIR WORKS.

Dated 6th September 1913.

Notice is hereby given that sealed tenders will be received at the Office of the Superintending Engineer, Cauvery Reservoir Works Division, up to 30th September 1913 for supplying teak and reserved jungle wood sleepers for Light Railway Line. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1913.

2. The plans, detailed estimate and conditions may be seen at the Superintending Engineer's Office at Cauvery Reservoir on all week days between the hours of 7 to 10-30 A.M. and 2 to 6 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Superintending Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed—

Description of work	Unit of work	Rate per unit

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for supplying teak and reserved jungle wood sleepers for Light Railway Line;" in default of which, tenders will be rejected. Rates should be separately noted for teak sleepers and reserved jungle wood sleepers.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the notice board in the Superintending Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Twenty thousand (20,000) sleepers $4\frac{1}{2}'$ long and $6'' \times 4''$ wide each.

10. Ten thousand sleepers to be delivered on the South Bank, Cauvery Reservoir Works, and ten thousand on the North Bank, Cauvery Reservoir Works.

B. SUBBA RAO,
Superintending Engineer.

KOLAR DIVISION.

Notice dated 25th August 1913.

The attention of the public is invited to the notification published in the *Mysore Gazette* No. 35, dated 28th August 1913, calling for tenders for constructing the Rajimakalhalli New Tank across the Markandeya stream in the Bowringpet Taluk.

Dated 6th September 1913.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 27th September 1913, for constructing an in-patient ward and kitchen at Bagepalli. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the 15th of June 1914.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees in cash or Government promissory notes, as earnest money, and be superscribed "Tender for constructing an in-patient ward and kitchen at Bagepalli," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
